DETAILED ACTION

Note: The Office Action mailed September 10, 2007 is hereby vacated in light of the following:

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. James Bindseil on October 9, 2007.

The application has been amended as follows:

In the claims:

Claim 28 was canceled.

32. (Currently Amended) A method of playing a card game, comprising:

Art Unit: 3714

dealing to at least one player a hand of at least five cards from at least one deck of playing cards;

establishing a card game including each respective hand, wherein the card game comprises a Poker game portion and an auxiliary game portion, wherein the Poker game portion is playable in conjunction with the standard rules for Poker and comprises a Poker game payout, wherein the auxiliary game portion comprises a bonus prize, wherein both the Poker game payout and the bonus prize are based on the at least five cards in each respective hand, wherein the bonus prize corresponds to each respective hand having four royal cards out of the at least five cards, wherein the four royal cards comprise any four of an ace, a king, a queen, a jack, and a ten, and wherein the four royal cards comprise four cards of the same suit;

receiving a Poker game portion ante, at least one Poker game portion wager, and an auxiliary game portion ante from each of the at least one player, wherein the Poker game portion ante comprises an indication of participation in the Poker game portion, wherein the auxiliary game portion ante comprises an indication of participation in the auxiliary game portion;

for the Poker game portion of the card game, determining the Poker game payout for each hand based on the at least five cards in the respective hand, wherein determining the Poker game payout for each hand is further based on receiving the Poker game portion ante and the at least one Poker game portion wager; and

for the auxiliary game portion of the card game, determining the bonus prize for each hand based on any four of the at least five cards in the respective hand comprising the four royal cards, wherein determining the bonus prize for each hand is further based on receiving the auxiliary game portion ante.

36. (Currently Amended) The method of claim 32, further comprising receiving a card game ante from each player, the card game ante comprising the Poker game portion ante and the auxiliary game portion ante comprising an indication of participation

Art Unit: 3714

~~in the Poker game portion~~, and wherein determining the Poker game payout for each hand is further based on receiving the card game ante.

38. (Currently Amended) The method of claim 32, further comprising receiving a card game ante from each player, the card game ante comprising the Poker game portion ante and the auxiliary game portion ante and further comprising an indication of participation in both the Poker game portion and the auxiliary game portion, and wherein determining the bonus prize for each hand is further based on receiving the card game ante.

Claim 39 was canceled.

40. (Currently Amended) The method of claim 32, further comprising:
receiving a card game ante from each player, the card game ante comprising the Poker game portion ante and the auxiliary game portion ante ~~comprising an indication of participation in at least one of the Poker game portion and the auxiliary game portion~~;

wherein dealing further comprises dealing at least one card to each remaining player in each of a plurality of rounds in accordance with the Poker game portion until the at least one player receives the at least five cards;

receiving a selection from each player whether to wager in at least a first one of the plurality of rounds;

for each player selecting to wager in the first one of the plurality of rounds, taking a first Poker game portion wager;

for each player selecting not to wager in the first one of the plurality of rounds:

taking the card game ante; and

Art Unit: 3714

taking the respective player out of the Poker game portion and the auxiliary game portion.

44. (Currently Amended) The method of claim 43, wherein awarding the bonus prize for each hand further comprises awarding the bonus prize based on receiving a card game ante corresponding to the respective hand, wherein the card game ante comprises the Poker game portion ante and the auxiliary game portion ante.

45. (Currently Amended) The method of claim 43, wherein awarding the bonus prize for each hand further comprises awarding the bonus prize based on receiving ~~[[an]]~~ the auxiliary game portion ante corresponding to the respective hand.
